

RATHFARNHAM THEATRE GROUP

PATRON SUPPORT SCHEME

Rathfarnham Theatre Group (RTG) is a dynamic, innovative and creative local theatre group, established and running for over 30 years. Our membership brings together people of all ages who are passionate about the value of producing quality theatrical productions for audiences in Rathfarnham and neighbouring communities.

Typically RTG produce two shows a year in the DLR Mill Theatre Dundrum, and additional productions in a community venue in Rathfarnham such as the Pearse Museum or Rathfarnham Castle. We pride ourselves on representing all genres of theatre and in showcasing both Irish and international playwrights.

If you would like to support us in continuing to produce the high standard of theatre with which RTG has become synonymous, you might consider becoming a patron of Rathfarnham Theatre Group and joining our Patron Support Scheme. This is a great way of supporting drama in your local community and of being the first to hear about RTG productions and events.

In signing up to the Patron Support Scheme, we hope that you will enjoy being part of the RTG community and we very much look forward to welcoming you to our 2022/23 season.
