The Seafarer - Cast and Director

Ken Golding

Ken has been a member of Tallaght Theatre since 1987 and has been involved in every aspect of the theatre from acting and directing to set design and the running of weekly drama workshops. Ken has starred in many productions down through the years including *Someone to Watch Over Me*, *The Hostage*, *Sharon's Grave*, *The Seafarer* and most recently, *Plaza Suite*. His directing credits include *Da*, *Whose Life is it Anyway?*, *A Life and Plaza Suite*.

Columb Casey

Columb has been a member of RTG since its inception and has played a wide range of roles. His most recent appearance was as Bob Jackson in *A Pack Of Lies*. Although he says his most challenging role was as Randle P. McMurphy in our very successful production of *One Flew Over The Cuckoo's Nest*, he is really looking forward to playing Ivan, feeling well rehearsed for cursing, drinking and playing cards!

Eamonn Cullen

Having joined RTG over two decades ago, Eamonn has played many and varied roles, most notably Bull McCabe in *The Field* and Willy Loman in *Death Of A Salesman*, Cheswick in *One Flew Over The Cuckoo's Nest* and most recently Mr Stewart in *A Pack Of Lies*.

Brendan Dunne

While this is his first appearance with RTG, Brendan is not without experience, having most recently played Joe Keller in *All My Sons* and Capulet in *Romeo And Juliet* with Balally Players, Hugh in *Translations* and Coleman in *The Lonesome West* with Spiders Ankles and Richard in *Out Of Order* with Stage Productions

Patrick Berigan

Since joining RTG Patrick has played the role of an English gentleman (Young Marlow) in *She Stoops To Conquer* and an American (Aide Warren) in *One Flew Over The Cuckoo's Nest*. He is now enjoying the opportunity of playing an eponymous Dublin "character" in a play bristling with that city's unique humour.

Director's Biography Carmel Cullen

Carmel's theatre work with RTG includes roles as many and varied as Juno in *Juno And The Paycock*, Evy in *The Gingerbread Lady* and Lady Bracknell in *The Importance Of Being Earnest*. Her directorial work includes *Ill Met By Moonlight*, *The Field*, *Playboy Of The Western World*, *Translations*, *A Skull In Connemara* and *Living Quarters*.
